"outlets" from your world) to rest upon the unpleasantness of the past, YOU ARE RESURRECTING THEM AGAIN TO LIVE TODAY! Tomorrow will be what you have made it by your living of today—so, if you have resurrected distress today (and it is not consciously transmuted by the Violet Flame) it will continue on into tomorrow and the days ahead. How carelessly we often use that word—"I think I'll resurrect last Spring's wardrobe . . ."; "I think I'll resurrect some food from the ice-box. . . ." How we should watch our words—if we wish ever to be free REALLY FREE ETERNALLY in Ascended Master consciousness!

Every living soul in embodiment here today once knew and had the FULL PERFECTION OF THE FATHER! Of our own free-will and choice we decided to experiment with the senses and, thus forgetting THE REAL of us, became enmeshed in the shadows of our own and others' creations. By the use of this REAL, LIVING, RESURRECTION FLAME, we may be restored in body, mind, world and affairs to the glory, beauty, purity and perfection we once knew. We may have It IF WE WANT IT ENOUGH! GOD WANTS US TO HAVE IT—are we interested enough to TRY to receive its blessing? Start NOW to renew your world in health, in peace and plenty! Set aside just five full uninterrupted minutes three times each day and, with earnest sincerity, repeat the statements provided here for you!

Yours in God-victory all ways—

FRANCES K. EKEY

SUGGESTED DECREES

"I AM! I AM! I AM! the Resurrection and the life of the perfect health and action of every cell and organ of my body, mind, world and affairs—, HERE AND NOW made manifest!" (Repeat 3 times)

"I AM! I AM! I AM! the Resurrection and the life of my finances—visible and tangible in my hands and use today." (Repeat 3 times)

"I AM! I AM! I AM! the Resurrection and the life of all the Ascended Jesus Christ peace and protection, happiness and limitless supply of every good thing I once knew and had with The Father before the world was—made manifest here and now today!" (Repeat 3 times)

(After repeating the whole group of three decrees three times—follow with: "and in full faith—I consciously accept this made manifest for me here and now—with full power!")

(Should you feel that your faith is not strong enough to bring about these manifestations quickly for you, then say: "Beloved Jesus—help Thou mine unbelief! *Give me Your feeling of faith* that my call may be answered instantly!")

The Homes and Retreats of The Masters of Wisdom

TEMPLE OF MERCY—CHINA

(April 15th through May 14th, 1958)

The beautiful Temple of Mercy, around which are twelve smaller Temples, is located in the ethers, near Peiking, China. This is the focus for the Flame of Mercy and Compassion for the Earth and all Its evolutions.

The Lady Master, known well in the Orient as Kwan Yin, Goddess of Mercy and Love magnetizes this Flame of Mercy and Compassion from God's Own Heart into the lower atmosphere of Earth wherein the distresses of soul, mind and body are temporarily experienced.

Long ages ago, Beloved Kwan Yin was well known to many of the people of Earth who, being aware of the tremendous gifts of Her Flame of Mercy which could be theirs for the acceptance thereof, often came to Her Temple for assistance in the transmuting of their own destructive karma, as well as that of their loved ones. At certain times, Kwan Yin and Her Spiritual Court would travel over much of Eastern Asia and those who were not able to make the long pilgrimage to Her Temples were so given personal audience by this Gracious Lady—at that time visible to the physical sight of the Earth's people. She has always been and still is particularly interested in helping children and parents to redeem their respective and collective destructive karmas, so that they may more quickly outpicture the perfection of their own "I AM" Presence.

Often, in those past ages, Beloved Kwan Yin would baptize with Violet Fire the children who were brought to Her for blessing, holding them during that ceremony in Her Own compassionate arms and, as much as the Law of their Beings would permit, She

would mercifully transmute as much as she could of the (to the physical sight) unseen but destructive karma of these little ones before it could externalize as distresses of soul, mind, body or affairs. These destructive energies, of course, had been generated in past lives.

After the veil of maya had been created by the mass of mankind, Beloved Kwan Yin, like Others of the Divine Beings, was no longer seen by the outer physical sight of the people but She has continued Her services from the Inner Levels of consciousness which, of course, are very efficacious and render a transcendent service to mankind, the Earth and Its atmosphere. Since mankind's "attention" is the Open Door into his world of all upon which he fixes that attention, when this Beloved Goddess of Mercy—Kwan Yin—is again better known to Earth's people and Her beauty and loveliness (as well as Those Who serve with Her) are again visible to the physical sight of the people, then will such blessings of healing, balance, peace and joy come forth to the people as have never been known on Earth before. This is just one of the glorious gifts of "The Seventh Ray" which She serves and has served so selflessly for ages and which await mankind as the Permanent Golden Age comes into Its complete fulfillment.

Wise, indeed, is the chela and grateful, indeed, is Kwan Yin for such an one who will consciously, daily, offer the younger generation and incoming children to Our Beloved Kwan Yin for Her loving and merciful assistance in these days. She will answer your calls and take each such lifestream into Her embrace, performing for them that same service which She rendered in those past ages.

After a soul has passed through the change called "death" at the close of an Earth-life, Beloved Kwan Yin again renders each such an one a specific service—helping to wash away many of the "scars" upon the etheric body of that one of disappointment, feelings of apparent failure, remorse and the causes and cores of other distressing conditions which the Law of that one's being will permit Her to remove. This makes it much easier for the individual to stand before the Karmic Board (Who, of course, must see all that is within the entire world of the applicant) and it enables that loving and merciful Karmic Board to assign that soul to the highest possible Sphere for instruction and help between embodiments.

The Beloved Kwan Yin, with her Sisters and Brothers of Mercy, as well as Her limitless Legions of the Angels of Mercy, are also dedicated to the complete removal as quickly as possible of the cause and core of the scorn which the so-called "righteous" direct toward un-wed mothers and their illegitimate children. One of Her Legions is always a Guarding Presence over all "Homes"

and "Orphanages" where such lifestreams are given as much assistance as possible. Her Flame of Mercy and Compassion always surrounds the mothers and mothers-to-be, whether they are helped by their fellowman or not and, in many instances, abortions and suicides often have been averted by the protecting faith-sustaining power of the Legions of Kwan Yin—the radiation from Whom gives such tremendous help to those unfortunate lifestreams who have become enmeshed in distresses of this nature.

The extreme quiet of the Temple of Mercy is the very first thing a visitor notices. The Brothers and Sisters move silently from Temple to Temple, rendering Their Service without "fanfare" of any kind. So does True Mercy act, even through unascended human beings.

The exquisite graciousness of Kwan Yin is embodied in all Her Celestial Helpers and even in the unascended chelas who belong to Her Legions of Mercy. This graciousness is also the predominant Nature of the Beloved Ascended Master Saint Germain and it is a heart feeling—not a surface expression of kindliness and love.

There are many individuals belonging to the Earth's evolutions who cannot or do not desire to forgive injustice done to them. Even sincere chelas sometimes harbor feelings of resentment and rebellion against other lifestreams, as well as against circumstances of an unhappy nature. To these, I recommend the invocation of Beloved Kwan Yin's own feelings of true Mercy, Compassion and Forgiveness. She will give to you the feeling of Her full, gathered Cosmic momentum of Forgiveness and Mercy until you, too, find the joy that comes in generating that feeling for yourselves.

So, come often in consciousness into the Temple of Mercy. Kneel at the feet of Beloved Kwan Yin! *Feel* all the love of Her Heart fill your beings. Then return to your own homes and activities and become an Angel of Mercy—unassuming—but powerful in action until all distress has been transmuted into Light!

An Address by
BELOVED MOTHER MARY and BELOVED JESUS

Dec. 30, 1957

Blessed and beloved ones, you are My children! There are certain lifestreams belonging to every Planetary Scheme who are

natural Mothers and there are other individuals who are *natural* Fathers. Some of Us Who are now rendering service to mankind here on a more than ordinary scale have been given the privilege and opportunity of a Motherhood wherein a particular Avatar or Christ Being was guarded. We spent many embodiments previous to the one in which such an Avatar was to be born, preparing for such Motherhood. We also spent much time at Inner Levels being trained in the powers of protecting and guiding those particular Souls Whom We later brought into physical birth. Thus did I qualify to bring the Master Jesus into His final physical embodiment here.

In other embodiments, I was a Mother to other lifestreams many, many times and to some of you I have been your actual physical Mother. However, for the most part, Cosmically speaking, I have served in the feminine aspect for many ages, developing that activity and authority, as well as protecting the Immaculate Concept of every lifestream. Therefore, at the time of Jesus' birth and on through His whole life, I was fully prepared and able to assist Him. When He gained His Ascension (as I explained in My "Memoirs"), I became the Mother of the World—meaning the Spiritual Mother of all the billions of lifestreams who belong to Earth's evolutions (those who are in embodiment now and those who are abiding at Inner Levels between embodiments). That is one of the purposes of My Being and one of My services to life.

So, tonight, as We draw here and into Earth's atmosphere the healing radiation from My Beloved Jesus' heart and from My Own, will you please *listen* and *feel* (even if just for this short time) *that you really are My children?* Please feel that every problem and every condition that is less than perfection in your world can and will be melted away while we are here together tonight—*if you will just let it go!* Let it go in your feelings! Let us come into that close, friendly feeling—not only through the memory which I have awakened within some of you from time to time of days that have gone before when We all knew each other so well (when We too wore physical bodies similar to those which you are wearing today); *but right here tonight,* in this room, LET ME BE YOUR MOTHER!

I rendered the service of holding the Immaculate Concept for Beloved Jesus time and again when He was young in years, so sensitive in consciousness and so desirous of helping life. Whenever Jesus' outer senses would report imperfection to Him, He would come to Me and, standing by My side, together We would say: "Now let us not magnify this appearance! Instead, LET US MAGNIFY THE LORD! LET US MAGNIFY THE GOD-GOOD IN ALL IMPERFECT APPEARANCES WHICH WE WITNESS!"

So, as I draw you into My arms tonight and into the radiation of My very Presence, will you silently say with Me and try to *really mean it:* "I NOW let go of these appearances of imperfection in my world *and consciously magnify* the Lord of Life—the Lord of Health—the Lord of Youth—the Lord of Vitality—the Lord of Love and Limitless Supply."

Let us learn and practically use the great God Truth that our souls may either magnify the appearances of distress (which seem so real to us) by keeping our attention upon them—believing in their reality and thus allow them to remain and increase by the feeding of our very life into them; or our souls may magnify God-goodness right here and now! Tonight I ask you to *accept* and *feel* a real transfusion *of My energies* into *your world* so that you may more easily magnify the power of the Lord—of God—within your heart; within the hearts of all you hold near and dear; within the hearts of all mankind in distress tonight—until that tremendous impetus has expanded and released the God-powers within each such an one and everything that is less than perfection is transmuted into light NOW! Come! Children of My heart! Beloved of My bosom! Friends of the Ages! Let us magnify THE POWER OF GOD TO HEAL; TO GIVE YOU EASE AND PEACE AND HARMONY! COME! Beloved ones! PLEASE LET GO! LET GO! LET GO! of those appearances which have enmeshed you in fear and distress and let your consciousness arise with Me into the presence of My Father and yours; My Mother and yours—there to feel the ONENESS between the God-parents and your very own life!

Ask Beloved Mary to Help You Accept in Your Feelings

O, precious ones—especially those of you who have served so long with the Earth's people—ACCEPT TONIGHT THE HEALING GRACE WHICH IT IS MY GREAT JOY AND HONOR TO DIRECT EARTHWARD! LET IT MANIFEST PRACTICALLY FOR YOU NOW! Accept the Presence here with you (*and all who will read these words*) of the Great Angels from Raphael's Legions and the Mighty Angels from My Own Temple, for I am sending them into your atmosphere and homes tonight. Won't you please let those Angels BE A SUSTAINING POWER of the Grace which I am and which I now flood into your worlds?

Beloved ones, you need not descend from Grace when once you have been raised into the higher vibrations of Our consciousness by your attention upon Us. When We enfold you in the actual essence of Our hearts' love; when the Angels intermingle

with your precious selves in these meetings and your auras are filled with the vibrant colors of Our radiant energies which are of Heaven, *all of this can be sustained for you!* ACCEPT THAT! Accept that, after the meeting, you no longer need to return to the conditions of distress and limitation which have been your past and recent experiences but, from now on, *if you will accept it as possible for you,* you can remain in this state of Grace, Harmony, Healing and Peace!

This is the perfection of the Sphere in which We have become fitted to dwell and into which We are endeavoring to raise you when We have an opportunity to come close to you; reaching into your worlds through radiation, Our spoken word, and your attention upon Us—which attention is the "open Door" into your world.

When We see you gathered together from time to time—so comfortable and happy during the short time while you are in Our radiation—temporarily (at least) raised out of the conditions which distress you, it seems so unfortunate to Us that, at the close of the meeting and Our communion with you, *through thought and feeling* you return again into the unhappy conditions and the experiencing of appearances which really need no longer exist for you—except as your mental body searches them out again and as your senses then energize the destructive etheric records thereof, by the energy which is flowing through you NOW! Thus are those thought and feeling forms re-created by yourselves! They have been dissolved for you over and over again—hundreds of times by your Ascended Master Friends of Light!

The Secret of Holding Our Grace Sustained

Now, tonight, as I said—I AM YOUR MOTHER and I am speaking to you with a Mother's love, just as I spoke to Jesus. I say to each and every one of you: You are a magnificent Being of Light! Your Holy Christ Self is expanding Its beauty and perfection through you and is expanding the perfume of Its Presence into the atmosphere about you; one of the melodies of the Music of the Spheres is flooding your world with the harmony of your own individual key-note of expression—all of this made possible for you and personally belonging to you as your Divine birthright through the gift of life which flows to you through your "Silver Cord" from your own individualized God-Presence "I AM." Your own Cherubim can also be visible and tangible to your physical sight (when you desire it *enough*); as well as the magnificent Angels of Our Legions which often walk by your side. Think on this! This is the ABSOLUTE GOD-TRUTH ABOUT YOU! *Try to hold this picture of perfection for yourself.* If you wish,

you may ask your Cherubim to help you hold that picture and consciousness.

The secret of sustaining that consciousness and feeling of Divine Grace lies mostly in your remaining within that feeling and radiation until it has sufficiently penetrated and saturated the substance of your four lower bodies—not letting your attention be diverted or drawn below the vibratory action which We have established around you. We have often said that if, after an address, each one of you literally could be enfolded in the arms of one of the Angels of Light, be transported to your own homes and placed in your beds without any contact with other individuals or things of this world of form—then if you could sleep the night through in that same radiation, how much more efficacious would be Our assistance to you!

In the Ascended Masters' Retreats, that is why the chelas progress more rapidly. You blessed ones who serve in the outer world, having to travel back and forth to meetings through means of conveyance, have the vibrations of your worlds raised as you enter these Sanctuaries and take part in the services. Then, after the meeting has been closed, you leave the sanctified Altar and Sanctuary, having become much more sensitized than the ordinary individual and subject to more of the lower vibrations of the masses of the people. This is not experienced by the chela in the retreat. Each one needs to protect himself or herself after such meetings. One could use Archangel Michael's Protective Shield here with great efficacy.

For instance, in Our Retreat (the Resurrection Temple), after We have talked to Our chelas, giving them instruction on The Law, those chelas are immediately returned to beautiful quarters where Angels attend them. Here they are allowed to lie down, *completely undisturbed,* and assimilate the instruction which has just been given them. Then, when they are ready for their next lesson, they do not have to raise themselves again to the point of contact in consciousness with their Instructor—Whoever that may be. Now, greater assistance to this end will come in time to all. We are giving you every God-help the Great Law will permit, believe Us!

Before you come to a meeting, beloved ones, We send into your homes an Angel Who "tunes up" the vibratory action of your four lower bodies. In many ways, They clear your path, protect you and try to sustain as much harmony as possible in, through and around you so that the raising of your consciousness to Those of the Ascended Ones officiating at your meeting does not become entirely a "last minute affair" when you enter into the vibrations of a sacred Sanctuary and then quickly into the vibratory action of the Ascended Ones. You see, the Ascended Masters' radiation,

even when We lower it, is vibrating very much more rapidly than the energies in the emotional, mental, etheric and physical vehicles of any person outside of an Ascended Masters' Retreat.

The purpose of the music, the visualization and devotion to the Master or Archangel to Whom the meeting is dedicated is to draw all those four vehicles of everyone there high into the vibrations of the Masters' Presence. The better *that* can be done, the *less* energy the Presiding Master must release from His world to make the contact with your outer mind; thus the *more* He has to release to bless you during the meeting. Do you see? However, We understand that, in your world of today, as you are all more or less engaged in the dissolving of various karmic debts (certainly not one of the least of these being the necessity of "earning a living" in the outer world), that you can but do your best (and may I say that yours has been a VERY GOOD "BEST"?) We are grateful indeed that you take the time and have the interest to come and listen to Us, thus receiving at least SOME of that Grace which is Ours, even though ALL of It is not always sustained in your worlds!

Angels to Come Closer into Earth's Atmosphere This Year

The year of 1958, as you have been told, is going to be called "The Year of the Angels." It is the year when the Angels Themselves will play a very great part in the activities of accelerating the vibratory action of the strata of consciousness in which mankind live here. You will see more and more books, pictures and representations of the Angels as 1958 begins to unfold. Of course, being of that Kingdom Myself, I am very grateful indeed to have the Angelic Host receive this opportunity. Once you have felt the pressure of the power of some of these Mighty Angels (and you can feel that pressure by placing your attention upon Them and asking for Their blessing of protection, healing, or whatever your need may be!) you will be grateful indeed to have Them as your constant and all-powerful Friends of Light as you progress along life's path with your hand in the Hand of God, serving your fellowman and imprisoned life everywhere.

It is the MOST TREMENDOUS JOY TO SERVE GOD—beloved ones—especially when you have the great buoyancy of the Angelic Host to sustain your enthusiasm in that service; when you have the Angels' Faith to sustain your TRUST IN GOD; when you have the healing power of the Angelic Host *instantly available at your call* to resuscitate and re-vivify the atomic structure and when you have the full Angelic momentum of Violet Fire at your command to use for the purifying of those destructive etheric records which may still be in your world and which are the causes and cores of all distressing appearances!

As One Who once wore an Earth-body similar to yours, I can tell you that neither Joseph, Jesus nor Myself could have been victorious in Our association with the mankind and human appearances of that day nor in My association with the Disciples in the establishment of the Christian Dispensation if it had not been for the constant presence and loving care of the Mighty Archangels and the Angelic Host. I have said this over and over again. For all Eternity I shall be grateful for Their vigilance, care of Me and service to Me. You who have been present here during the visitations of those great Archangels (when the addresses for Their book were given); you who therefore have in your worlds at least some of the substance of Their very life—know something of what I mean! Just think of those Great and Mighty Beings Who also deal with other Planets and other Universes than this one and yet giving of Their life and attention to a few unascended lifestreams in the hope of awakening within those consciousnesses the same love which They have for life and the same desire and determination to have that life free. Grateful am I indeed as One Who was also a beneficiary of Their outpouring, that you have these Great Archangels as your Friends too. I am grateful too that you know something of Their service to life and that you are willing to call them by Name and feel the radiation of Their Presence with you.

Without the assistance of the Angelic Host, mankind could not enter into this Milennium and Its New Order which Our Beloved Saint Germain is bringing forth now. The Angelic Host are a primal part of the great Ceremonial Activities which will delight you as they come forth in this New Age. These Angels are graceful in the extreme; humble and yet so powerful; so obedient and willing to do the Will of God as expressed through any of Us. Many a time I have sent those Legions of My Own to places where there were the sick, the destitute and the distressed. Those Angels—so beautiful—with shining wings of light, beautiful golden hair and scintillating garments of iridescent hues, just bowed humbly before Me and willingly went into those places where the suffering was so great. Many, many times Their assistance was rejected because of unbelief and a lack of acceptance of their services. Many times the people to whom the assistance was sent in answer to their prayers did not accept Their help when it came but *never once,* although Those Angels returned with Their mission unfulfilled, and they ever feel discouraged. They just bowed humbly before Us, waiting for the next expression of Our Will. Sometimes the same Angel would return to the same individual again and again until that one, in a moment of Grace, could and did accept the gift of healing or whatsoever it was that I had sent in answer to their prayer.

Angels are Real Friends and Always Answer Your Call!

The Angelic Host you will find so easy to work with! They are not Beings of either logic or of reason, but They are Beings of such transcendent Divine Love! They are intelligent—yes—*very* intelligent! But their love responds INSTANTLY to the direction of any God-being *or unascended being* who will earnestly call to Them in the Name and Authority of their own individualized "I AM" Presence. Especially do They respond to those of you who know many of Them by name and who call to Them daily.

I have seen groups of Angels from the Sacred Heart Temple, from Zadkiel's Temple and in many of the other Temples in Our Octave, in the midst of performing one of Their lovely rituals in gratitude for life to the Sun or in one of Their Fire Dances. Even as They were in motion, have I seen them register the call for help of some kind from those among you who know of Them. Then, as quickly as possible, They would gracefully complete that which They were doing and come instantly into your aura or that of your loved one who needed Their assistance. There is no such thing as an Angel Who does not answer a call from any individual—not only those of you who know of the wider service of the Angelic Host—*but of any soul who needs help!* Those of you who know the Names of the Seven Great Archangels and Their Archaii and know the Names of many of the Great Cherubim and Angelic Host are particularly blessed for you have a closer communion with These Beings because of that. This close feeling of association can be builded into quite a momentum until you *really feel,* right here in the physical appearance world, that you are on "close terms" with one or more of Them. That affinity oft-times is consummated while your physical body sleeps at night. Your Angel-guard often accompanies you to the Royal Teton or some other Retreat where the Ascended Masters are gathered together. You are then enabled to counsel with Them and learn much from Them. This Angel-guard may be either your Ministering Angel or, as we have just said, One with Whom you have developed a particularly close feeling of Divine Love and devotion.

Beloved ones, during this year which We are just now entering, PLEASE *anchor within yourselves* the consciousness that *the Angelic Host are as real to you as you are to each other.* They are far more willing to assist you than the human—for to serve life IS THEIR ONLY REASON FOR BEING!

Tonight, from the heart of the Great Central Sun of this System, I do invoke the most powerful healing essence into this room, to heal the soul, the mind, the feelings, the bodies and affairs of every

(*Continued on page* 17)

THE MASTERS OF WISDOM SPEAK

(ON: THE ASCENSION THROUGH TRANSMUTATION OF IMPERFECTION)

MAHA CHOHAN:

The Supreme and Ultimate Goal of every individual lifestream is the Ascension into the Electronic Body of his or her own "I AM" Presence, wherein such an one becomes forever free from discord, strife and limitation of every kind. It is to be deplored that more of the people of Earth today do not accept even the possibility of their own personal Ascension. They are so willing, through misconcepts of their own (and the acceptance of such from others), to believe in and accept disintegration, limitation of every kind, decay and even ignominious "death" itself as the *natural order* of a good God's magnificent Divine Plan.

Even Our Beloved Jesus' Victory has not convinced the *masses* of the people that He was the Great Example for them to follow and that the Ascension which He so beautifully manifested in the presence of hundreds of people—*is not only possible but absolutely essential,* for their own eventual, personal "graduation" from the schoolroom of Earth. We are now endeavoring to expand into the outer minds of the people of this Planet that the Ascension is the Ultimate Goal for every lifestream and to explain, wherever possible, the ways and means by which such an individual's Ascension can be achieved. Blessed are those who will listen to Us, believe in Our counsel and *act upon it!*

EL MORYA:

Although the Will of your own Beloved "I AM" Presence is actually to fulfill Itself through the expansion of the Holy Christ Flame acting through your physical form right here on Earth and thus to *externalize* the perfection, gifts, powers and virtues of your Causal Body for the benefaction of the race evolving upon this sweet Earth, the free-will of each lifestream must, *of itself,* decide to willingly and lovingly co-operate with that Divine Plan and consciously desire to transmute the lower nature by the rhythmic use of the Violet Fire of Freedom's Love. *This must be done before* We can give more than ordinary assistance to such an one. No Member of the Great White Brotherhood—nor even your own "I AM" Presence—will impose His or Her Will upon your own free-will choice. *That choice must be made through your own feelings.* When it is—ALL OF HEAVEN WILL ASSIST YOU at your call!

KUTHUMI:

What is the Ascension in the Light? It is merely the drawing back into your own personal aura of all the energies you have discordantly qualified, all the way back to the beginning of your having become enmeshed in the shadows of human creation. In your own aura, you joyously and willingly transmute that shadowed substance into its natural God-estate, by the use of the Violet Fire of Divine Mercy. The Ascension is made possible of attainment for the individual who desires to reclaim and purify his mis-creations of the past and thus remove the causes and cores of impurity in his own lifestream, which causes and cores were the sustaining power of his distresses.

Usually, those blessed chelas who are about ready for their own Ascension voluntarily offer to transmute not only their own destructive karma but, also, to help in the redemption of the karma of others and of the race itself. These lifestreams are interested not only in their own personal freedom but also in the redemption of all astral and psychic creations which plague the masses. To this end We have partners on Earth who have been and still are eager and willing to help Us to create again—(and permanently this time)—the Kingdom of Heaven on Earth. Thus shall We be able to give to our Beloved Ascended Master Saint Germain, the joy of an externalized "Freedom's Star", upon which He may quickly manifest the *permanent* Golden Age for the present and future inhabitants of our dear Earth.

PAUL (THE VENETIAN MASTER):

The Ascension for any lifestream is attained by the quickening and raising of the vibrations of the electrons which make up the atoms of the emotional, mental, etheric and physical vehicles of each lifestream—as those electrons spin around their central core in that atom. One of the greatest powers which can be called forth to so assist in the quickening of these vibrations is your own Holy Christ Self, mercifully anchored—not far away—but right within your beating heart! This Holy Christ Self lives within you but for one purpose—to externalize your own Divine Plan—right here on Earth—through your outer consciousness (personality). It eagerly and instantly responds to your invitation to give you Its assistance in the gradual process of ascending into your natural

God-estate. We, the Brothers and Sisters of the Third Ray, are primarily concerned with the expansion of the Holy Christ Flame through you and, to this end, continually pour upon It Our love and blessings.

The *very nature* of your Holy Christ Self is harmonious, peaceful, confident and happy. Therefore, when It is invited to act through your four lower bodies, It *naturally* begins to raise the feelings, thoughts, words and actions of the personality *above* the strata of discord. This "raising" activity quickens the vibrations of the electrons in these bodies, so that they literally "throw off" the shadowed substance of discord which has wedged itself between the electrons. Then the Violet Fire of Mercy and Compassion does transmute this discord for you, when consciously and rhythmically called into action so to do. So do you become the "quick" (mentioned in the Bible) rather than the "dead" (this phrase, of course, is symbolic of the vibrations of the inner and physical vehicles of unascended beings).

SERAPIS BEY:

Of course, I am most interested in the individual Ascension of every lifestream since, together with The Brotherhood of My Temple at Luxor, I am the Divine Guardian of the Ascension Flame on Earth and every "Candidate for the Ascension" must one day stand before Me to receive assistance unto the attainment of that glorious Goal. That is My reason for being! The misconcepts of the outer mind of the masses is deplorable indeed that any individual (*even a student*) can continue to allow his inner and physical vehicles full freedom to do as they please in the satisfaction of the senses of the outer self—thus creating heavy and discordant vibrations which not only affect his own world and aura adversely, but also add to the sorrow of the world; and then, in the "twinkling of an eye", suddenly be swept into the Victory of the Ascension! Those who accept the possibility of ascending into Our Realm *must also accept full responsibility of accelerating the vibratory action* of their four lower vehicles, continuing to sustain and constantly expand that acceleration during all the rest of their service here on Earth.

We do give much more than ordinary assistance to any chela who desires to participate in this self-discipline, when We are invited so to do. Remember! The atoms which make up your four lower bodies are charged with the vibrations *which are the results of your own use of life* for ages of time. If those atoms are heavily charged with discord, you will require Our assistance, *primarily,* to help you change the pattern of your habits of thought and feeling, even as an individual who is drowning is often helped

safely to shore by a life-guard who keeps the head of the one in distress "above the water-line".

Self-condemnation, self-pity or self-depreciation upon the part of earnest chelas who temporarily "fall from grace" is to be deplored, as those feelings are exactly what We are endeavoring to remove from the atoms and cells of your inner and physical vehicles. Joyously set about the process of personal, family, national and planetary redemption! IMPERSONALLY face temporary failures! BE CONSTANT IN ENDEAVOR—AND YOU SHALL SUCCEED! All We require of any dear and earnest chela is his persistence in endeavor. That is why the watch-word of the Brotherhood at Luxor is "TRY"!

Many are the experiences through which the "Candidates for the Ascension" must pass, just so that such Candidates can learn that the four lower bodies are the *servants* of the Holy Christ Flame and *not the master* of energy! Sometimes these experiences seem so difficult but to him who perseveres through every condition of a distressing nature and continues to "TRY"—Our help and their ultimate victory—WILL COME! It is only those whose souls become weary and who seek surcease from the self-disciplines required to master their four lower bodies and allow the Holy Christ Flame to express freely through them who, in kindness, must be given surcease from further present endeavor until (at Inner Levels), they re-kindle their enthusiasm for this task of redemption of their own worlds. At a later date, these are given another opportunity in physical embodiment to become Master of their own energies and thus Master of all the energies they contact. "He who is Master of himself—IS MASTER OF ALL!"

HILARION:

The Ascension is not so much a "mystic" experience as it is a scientific one. In the beginning, electronic light (which is the actual Intelligent Body of God) took a vow of obedience to respond to and become that which any of God's children directed it to become. Therefore, the very electrons which compose the atoms of the inner and physical vehicles of the individual, vibrate at the speed at which the self-conscious intelligence has directed them to do. The *slower* their vibrations, the more vulnerable do these atoms become to like vibrations which fill the lower atmosphere of Earth. The *quicker* their vibrations, the more sensitive and receptive they become to the grace and perfection of the Higher Realms.

Thus, when a chela prepares for the Ascension, he is taught how to quicken the vibrations of all the atoms in his four lower bodies, throwing off the discord which has wedged itself between

the electrons which make up such atoms and, as surely as the Sun shines in God's Heaven, the quickened vibratory action of the atoms of each vehicle magnetize the heavenly vibrations from the Spiritual Hierarchy.

Throughout the centuries, some chelas have quickened the vibrations of one of their four lower bodies far beyond the development of the other three. Here, We must emphasize that each chela should examine himself and ascertain which of his vehicles requires assistance the most. Then, scientifically, *without stress and strain,* he should endeavor to cultivate a positive and powerful vibration through the recalcitrant vehicles and bring his four lower bodies into alignment. This, of course, We help every chela to do in an Ascended Master Retreat and, when such an individual applies for the privilege of becoming a "Candidate for the Ascension", Beloved Serapis Bey, looking over the four lower bodies of such an one, prepares a schedule of events and conditions to be experienced by the chela which will enable him to completely purify and redeem those bodies which as yet have not been brought under the full control of the individualized "I AM" Flame of the lifestream.

Let us warn the sincere chela that one will always feel some resistance from the vehicle which is not yet under control. Centuries of that body's having had its own way have made it stubborn and resistant to God-direction. In the Name and Authority of your own Beloved "I AM" Presence, lovingly command such a vehicle to co-operate with you in the redemption of your world. This would be wise indeed!

JESUS:

My public Ascension was for the express purpose of showing mankind their Ultimate Destiny! More and more, as the New Golden Age comes into manifestation, shall I endeavor to impress upon the consciousness of *every unascended lifestream* the *feeling* of My full-gathered Cosmic momentum of the Ascension in the Light, as possible of achievement for every one of the human race. I came under the same Law as do all lifestreams who choose the Planet Earth as a schoolroom. It was necessary for Me to keep the vibrations of My four lower vehicles harmonious at all times—*no matter what the human appearances might be!*

In this self-discipline, I was exceedingly helped by My Beloved Mother Mary, Whose Spiritual strength and wonderful ability to hold the IMMACULATE CONCEPT of My lifestream for Me was a strong, powerful and buoyant vibration which played in, through and around Me at all times. Today, She is just as willing to give to you the assistance of Her full-gathered momentum of the feeling

of Grace of which She has become the living embodiment; and She has in the past and will continue in the present and future *to hold for you* (as She did for Me) the IMMACULATE CONCEPT of your own Divinity. ACCEPT HER HELP! ACCEPT MINE, too, and BE FREE!

SAINT GERMAIN:

Remember, dear children, the Violet Fire of Purification is ALREADY QUALIFIED LIFE which you are invited to use in the process of personal and planetary redemption. You do not have to "create it" any more than you are required to create the beautiful water element which you use so freely to cleanse your physical vehicles.

Think for a moment of the Mercy of life in providing water for your use. Suppose, before you could cleanse your physical vehicles, you had to precipitate every drop of water you desired to use. How long would that precipitation take and how precious would every drop of water be to you? It is the same with the Violet Flame. If you had to consciously precipitate every wave of that purifying agent, the process of redemption would be interminable. Accept that, like water, It is already for your use. It is Our gift to you. If you will invoke It and use It, It will act so efficaciously for you and cleanse not only your physical bodies, but *still more important* your inner bodies of any and all impurities which manifest as limitations of mind, flesh and affairs.

We can only offer you Our gifts. You, yourselves, must accept and use them. Please accept the use of the Violet Flame and experience for yourselves the joyous cleansing of that misqualified energy which lives in, through and about you, awaiting redemption through your own self-conscious endeavors. I shall help you, beloved ones, in this service for We are all so grateful when anyone wants Our gifts and will use them to fulfill God's Holy Will!

(BELOVED MOTHER MARY AND BELOVED JESUS)

blessed one, using the full-gathered momentum of My healing consciousness so to do. Then I amplify that to include all who now (or ever did) belong to our Beloved Saint Germain's Activities. I decree that this same radiation from Beloved Raphael's Legions shall be established in, through and around every Sanctuary and group under this radiation from this night on.

Now, My children, LET GO! LET GO! LET GO! of the appearances of lack, ill health and discordant appearances of any

kind which are disturbing you! From now on, LIVE IN THE ACCEPTANCE OF PERFECTION NOW MADE MANIFEST! Always know that, as your Mother, I am as available to you with My healing help as is the most loving Mother on Earth—even more so, because MY CONSCIOUSNESS IS ALL-ENCOMPASSING! I can hear the calls to "Mary" coming from your heart, even though such a call be inaudible to human ears!

Now, My Beloved Jesus—Great Prince of Heaven—will give you His blessing of the evening!

BELOVED JESUS SPEAKS:

Beloved of the Light and My Blessed Mother! I thank you for the opportunity of speaking to you all tonight, during this Holy Season when My Advent is honored among the sons and daughters of men.

In speaking of the Angelic Host, My Beloved Mother brought to My mind very forcibly the God-truth that I, Myself, in Gethsemane's Garden and in many other "trying" places during My final embodiment on Earth, could not have sustained that positive consciousness which was so vitally necessary for Me to hold, had I not had the help of the Angelic Host which made and kept Me victorious upon Life's Path until My completion of the pattern which I was to fulfill. I had the great assistance of that Mighty Host of Heaven and I am grateful in the extreme that those among you who belong to Earth's people, as well as those of you who are Guardian Spirits and who have come from other Stars (having temporarily succumbed to human appearances) shall now have more and more conscious, tangible help from these Friends of light also.

In the Name and Authority of that Great and Glorious Universal "I AM" Presence; In the Name and Authority of that Ascended Jesus Christ Presence which "I AM"; In the Name and Authority of your own individualized "I AM" Presence, I NOW COMMAND YOU FREE! FREE! FREE! again—just as free as the lepers through whom I once called My victorious Healing Flame into action; as free as Lazarus from the appearance of so-called "death"; as free as were the obsessed when I called from them the torturing human creations which had attached themselves to them, then letting their balanced mind take command again; as free as the men who came to Me blind and left My Presence with perfect sight! On this night, as I stand here speaking these words into this atmosphere—I COMMAND THIS FOR YOU! I ACCEPT THIS FOR YOU! Please endeavor to consciously accept it for yourselves to be active in your worlds. Do not strain or try too hard to do this—just ask your own Beloved Holy Christ

Self to flood your *feeling worlds* with *Its feeling* of acceptance of this which I am giving you.

(The foregoing decree was given with tremendous release of power—even through the voice of the "contact.")

Beloved ones, when one is dealing with a very small focus of discord, one needs to release but little power to transmute it, especially from Our side of the "veil". However, when We take advantage, as We do in these classes, of the use of your energies (because your life is one with that of all belonging to Earth's evolutions) to release millions of people from tremendous accumulations of discord, We must send Our powerful fiats forth through you and your "forcefield". That is why all your bodies must be very strong if We are to use them for such a purpose, because you must (so to speak) BE OUR BODIES in the world of form!

Do you realize that the sincere students all over the world really comprise the "Body of Christ" in the world of form? You see, through years of loving devotion to Us and the application of Our Law, Rays and Flames into your worlds for the healing of your bodies and the solving of your human problems, you have drawn about yourselves a great deal of the substance of Our individual worlds—of course, some have drawn more than others and some have drawn more from one particular Ascended Being than Another.

Therefore, because you have much of Our actual essence around you, you can be a Body of Mary in the world of form; you can be a Body of Michael and one of Saint Germain in the world of form—and many Others. Therefore, such chelas who will so let Us act through them become actual "arms of Our Presence" and We can and often do utilize the energies of such chelas to heal, bless, prosper and illumine many in the atmosphere or association with them, when such opportunity presents itself. It goes without saying that UNINTERRUPTED HARMONY IN YOUR FEELINGS is necessary to be held to the best of your ability so that, when some Cosmic Moment allows Us to give a more than ordinary service, *your energies are ready for Us to use.* Tonight was such a Cosmic Moment when We were enabled to render you the service of cutting you free from so much distress, as We did. PLEASE ACCEPT THIS FREEDOM from now on—this is permanent good decreed for you, because your motives are to serve God and expand the Light!

Many of you have loved ones to whom you can direct the full power of this fiat which I made for you tonight. One day, when Mother and I stand face to face with you, you will be grateful for what was done tonight—not only for yourselves but for every member of the race. This decree which I released tonight

went right into the Realms where the dis-embodied dwell and into the Realms of the "Sleepers" also. It also went into the Realms where those now dwell who were formerly in "The Compound". It also penetrated the Realms where there are those awaiting physical embodiment.

Sometimes it takes a tremendous surge of positively qualified energy to reach through the "shell" of unbelief and the human habits of thought and feeling that are not accustomed to instantly accepting the feelings of perfection decreed for them. This power I had to use upon certain occasions before My Ascension—during My ministry here—to suddenly shock from the etheric body (particularly) some destructively qualified pattern or patterns which had been builded and rebuilded there time and again, as Mother has told you.

For example, if you had a rubberized sheet (let us say) which had sagged a bit because of an accumulation of water which it was holding and suddenly someone raised that sheet and emptied the water from it—that would be a similar action to that which takes place when one of the Ascended Ones removes from the etheric body some deep-seated record of discord of some kind. It takes a powerful surge of energy upon Our part to remove such "obsessions" (for sometimes such creations become just that!) Then, after We have removed the "water" from the sheet (the thought and feeling form or forms buried deep within the etheric body) the old habit of the human mind (immediately after Our departure when the attention goes back to the outer self again) is to turn back to its old habit and pattern of thought and feeling and *re-fill that sheet with the very same vibrations and substance* which were there before and from which it had been freed.

Now, in the Name and Authority of Almighty God, I do call for every possible assitance, even from the Beloved Alpha and Omega (God and Goddess of the Great Central Sun); from Beloved Helios and Vesta (God and Goddess of our physical Sun), as well as from all the Sun-gods and Sun-goddesses of the Systems which belong to this Galaxy—and to all the Solar Lords Who are in the atmosphere of Earth during this Holy Season! I ask Them, as far as they possibly can, to see to it that everyone for whom I have spoken this decree tonight DOES ACCEPT IT and quickly receives Its blessing. I ask Them to help all not to again accept *as real,* the imperfections from which I have released them.

This decree I command made manifest not only for those present here tonight and for those who are "tuning in" to this heart-center during this Class, but I command it to go to the far corners of the Earth—for I am releasing My Healing Power TO ALL tonight! EXPECT the manifestation of this decree for MY

WORD IS LAW in this physical appearance world! However, try not to be concerned about the "how or when" of its manifestation. JUST ACCEPT IT and TRUST ME to bring it to pass in the *right time* and in the *right way.*

By the power of Almighty God by which every so-called "miracle" I ever performed was accomplished, I call for the release here and throughout the world tonight of the SUSTAINING POWER FROM THE ASCENDED MASTERS' RETREATS to permanently enfold each and every one. As you return safely to your homes tonight and, retiring, enter sleep in as much of this radiation as possible, I ask that you be enabled to awaken tomorrow in that buoyant and confident Christ-consciousness which is not only Mine to give, but which is within the power of your own Holy Christ Self to give also—and sustain for you too!

I am very grateful that the "veil of Maya" is steadily growing more and more thin and, one day, when it becomes thin enough, you will see Us standing right here before you. So—until We meet later tonight at the Teton, in love, in gratitude and in the full acceptance for you of your Jesus Christ FREEDOM FROM DISTRESS, Mother and I remain—Your Humble Servants! and your loving, loving Friends!

(Note: Whenever one of the Great Ones gives a blessing or releases a powerful fiat of some kind for your freedom, be sure always to be alert and quickly say (silently within yourself): "Thank You! Beloved 'I AM' Presence—see that I accept that in my feelings! Keep it eternally sustained, all-powerfully active and ever-expanding until I and all mankind are wholly ascended and free!")

These addresses are not lightly given and, in the case of the foregoing one, it may take some conscious endeavor on your part to allow the freedom of which Jesus speaks to outpicture. We sincerely hope that it will manifest for Our Gentle Reader in one flash—But, remember! we have been centuries upon centuries building their causes and cores. Think it through!

Perhaps some of our Gentle Readers may not clearly understand what Our Beloved Mary meant in Her reference to "your Cherubim . . . ." About five years ago Our Beloved Saint Germain secured the interest of certain Cherubim Who willingly offered to abide within the personal auras of sincere chelas who were willingly engaged, not only in freeing themselves from the limitations of the Ages, but who were earnestly interested in helping to free all mankind as well. Those Cherubim have remained with those lifestreams and will stay with them until their Ascension is completed. Recently the Great Ones have told us that every sincere student who has been in "The Bridge" Activity for at least one full year and who makes daily application for himself and others, has had such a living Cherubim anchored in his or her personal aura. If you have such a God-friend in your world, be sure to consciously acknowledge Its presence with you a least once a day. You can become very well acquainted with such an One and that Cherubim can and will give you much help unto your Eternal Freedom in the Light!

MONTHLY LETTER TO TRANSMISSION FLAME CLASS

April 19, 1958.

BELOVED CHILDREN OF GOD:

I am grateful indeed for the Presence of Mercy, particularly here in the lower atmosphere of Earth, which flows like a beautiful purple tide of Light through the emotional, mental, etheric and physical strata wherein so many unascended lifestreams, imprisoned Angels and Elementals experience temporary limitation.

As We join together to honor the transcendent Flame of Divine Mercy and Compassion in Beloved Kwan Yin's Retreat this thirty-day period, let us ALL—Ascended and unascended alike—ask for an *increase in our feelings of the acceptance* of Mercy as a very real and tangible Presence of help which is available to all in distress of any kind. DAILY BATHE IN THAT FLAME OF MERCY yourselves and ask The Lady of Mercy—Kwan Yin—and your lovely Lady Sponsor from Her Temple of Mercy, to *make you feel* the *Mercy They feel* for all imprisoned life! Thus you will become Ladies and Gentlemen of Mercy in your own spheres of influence.

Remember! Mercy is Divine Compassion which *actively engages* in raising the qualities of discordantly qualified energies into those qualities which are harmonious, pure and thus God-like in nature and expression. If you desire Mercy for yourselves and your loved ones—REMEMBER THE LAW—dear children: "As you give—so shall you receive!" Therefore, *enjoy the feeling* of giving and calling forth Mercy for ALL imprisoned life and your own worlds will receive mercy—far beyond the compass of your outer mind to understand.

Love and blessings—

MAHA CHOHAN.

GROUP INSTRUCTION MATERIAL FOR TRANSMISSION CLASSES

April 19, 1958

DEAR FRIENDS OF THE RESURRECTION FLAME:

Even while you are reading these words and your attention is thus drawn unto THE LIGHT, we call to the GOD OF ALL LIFE

to flood your entire beings and worlds with every good gift you desire to make your way easy, happy, successful and perfect at all times—this gift to be visible and tangible in your hands and use NOW! In the "Sweet Bye-andbye" we shall not need the practical things which help us to fulfill our Divine Plan HERE AND NOW!

Our Beloved Jesus so identified His consciousness with THE FATHER that He actually became THE FATHER-IN-ACTION for did He not say: "He that hath seen Me HATH SEEN THE FATHER. . . . for THE FATHER AND I ARE ONE!" Jesus not only USED the Resurrection Flame to restore His mutilated body to perfection and re-animate His Own life within it, but HE BECAME THAT FLAME ITSELF through that experience. Today He willingly gives His feeling of It and Its efficacy to anyone who will give Him an opportunity to flood It into their worlds by their call for It and their rhythmic attention upon Him—to enable them to receive it! It is the very NATURE of that Flame to renew, re-vivify and restore *and these activities begin to take place even at the mention of Its Name!* The slightest attention given that Flame will draw It toward the one who is thinking or speaking about It and It will continue to bless the world that calls It forth AS LONG AS IT IS ACCEPTED AND RECEIVED THEREIN!

Think of the activities of the Resurrection Flame through Nature in the Springtime. Surely that is POWER BEYOND THE KEN OF HUMAN MIND! Most folks accept the Springtime activities of that Flame and the beneficent results thereof quite as a matter of course, as a rule, and very few, if any, ever think to apply it personally to their own bodies, minds, feelings and financial affairs! THESE FLAMES ARE EXTREMELY PRACTICAL AND ARE FOR EACH ONE'S INDIVIDUAL USE—"Whosoever will may come. . . . But, as Beloved Hercules says in the new Elohim book: "The Will to do or have a thing must precede its manifestation in your worlds."

As we said above, THIS FLAME IS A MOST SACRED RELEASE OF GOD'S LOVE TO RESTORE the good we once knew and had—for it is GOD'S WILL THAT WE SHOULD HAVE ALL GOOD and that THAT GOOD SHALL BE SUSTAINED FOREVER! Then with what reverence and care should we use even the word "Resurrection"? Remember! Your word is your wand of power!

Since this Flame is a part of your own life, are we not using It to produce just THE OPPOSITE from what we want when we use Its power to keep remembering distresses of the past by thinking and talking about them? Remember! Thought, feeling, spoken word and deed are the ONLY CREATIVE POWER! Therefore, when you allow your life (through any one of the four of these
